U.S. Postage  
PAID  
Merrifield, VA  
Permit 361

# Vote November 3<sup>rd</sup> for new ideas and real solutions to our traffic woes! Vote Mac Cannon for Delegate.

## ★ Transportation Solutions ★

As one who commutes daily, I understand the need for improved transportation in our area. I will work hard to reduce traffic congestion and improve mobility in our community - for our need to drive our cars **and** make use of mass transit - **the answer is not JUST Metro Rail.**

In the General Assembly I will be active in solving our transportation issues. I am the **only candidate** in this race who has a Transportation Plan – read it on my website! ([www.CannonforDelegate.com](http://www.CannonforDelegate.com))

Fairfax County residents like you need more of your hard-earned tax dollars being used back here in our community to address our transportation problems.

**I will fight for our fair share, I will fight for you!**

*"Simply raising taxes is not going to help solve the problems we face. As your legislator, I will be fiscally responsible with your hard-earned tax dollars and make certain that we work together for solutions now!"*

- Mac Cannon

I will work to find solutions to ease the gridlock, like widening Reston Parkway and Route 7 and fixing the intersection of Hunter Mill Road and Sunset Hills Road.

*Now is the time for change in the 36<sup>th</sup> District*

**Vote for "Solutions Now" ... Vote for Hugh "Mac" Cannon, Tuesday, Nov. 3<sup>rd</sup>**

## ABOUT MAC CANNON

Cannon brings experience from the nonprofit and for-profit business arenas. He is a graduate of Virginia Tech and holds a BS in Business. He currently serves as the Executive Director of the American Council of Engineering Companies of Metropolitan Washington. Cannon, his wife, and three children reside in Reston, where he serves as the neighborhood watch coordinator.

## To put things in perspective:

Fairfax County pays **28%** of the state's income tax bill; Fairfax County is home to over 1 million people and has **13** times more residents per square mile than the rest of the state - that's **over 2,400** people!

Then why do we currently get **only 25¢ back on every dollar** we send to Richmond in taxes?

## What has been happening for the past 30 years in Richmond?

Have you been well represented?

Is there someone fighting for you, your families and our businesses?

**It is time for a change!** Thirty years is long enough. We need honest and fresh representation **NOW**. I will be YOUR delegate and represent your needs.

**I ask for your vote on November 3<sup>rd</sup>** and look forward to serving you and the 36th District!
